## \*Driveway Instruction Sheet \*Keep For Your Records \*Do Not Return\*

**1. OWNER of property will flag site, complete/sign application and return to the Henry County Road Dept. The HCRD will process application and perform initial inspection. Process 7-10 days.**

**2. After initial inspection, HCRD will contact owner with the required access needed.**  
 \_\_\_\_\_ Dry Ramp \_\_\_\_\_ Culvert Pipe Size \_\_\_\_\_ Inches by \_\_\_\_\_ Feet

**Get pricing, check availability & choose an approved contractor for install from the list below.**

Henry County has not given contractors specific guidelines for installation to help accommodate your budget and needs. However, we highly recommend that driveways are at least covered with rock. Please be specific with your contractor about the work you would like done and verify the contractor's warranty/guarantee for work completed. Henry County is not responsible for contractors work.

Contractor's license and proof of liability insurance were verified when added to the approved list.

New contractors can be added, but they must apply, meet the County requirements & be approved by the County Engineer.
